DECISION

Dispute Codes OPR & FFL

The Application for Dispute Resolution filed by the landlord makes the following claims:

- a. An Order for Possession for non-payment of rent
- b. An order to recover the cost of the filing fee

Neither party attended at the scheduled time set for the hearing. I waited 10 minutes to enable them to call in and participate in this hearing. I checked that the hearing was scheduled for 9:00 a.m. on July 20, 2018. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I called in a second time. In both cases the teleconference system confirmed that I was the only person who had called into this teleconference.

I then concluded the hearing and closed the conference call.

As neither party has appeared for the hearing I order the application dismissed with liberty to reapply. I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Manufactured Home Park Tenancy Act.
