DECISION

Dispute Codes:

CNCT

Introduction

This hearing was convened in response to the Tenants' Application for Dispute Resolution, in which the Tenants applied to set aside a Notice to End Tenancy for Cause.

Issue(s) to be Decided

Should the Notice to End Tenancy for Cause, served pursuant to section 47 of the *Residential Tenancy Act (Act)*, be set aside?

Background and Evidence:

Section 61 of the *Residential Tenancy Act (Act)* states that upon accepting an application for dispute resolution, the director must set the matter down for a hearing and that the director must determine if the hearing is to be oral or in writing. In this case, the hearing was scheduled for a teleconference hearing.

Rule 10.1 of the Rules of Procedure stipulates that the hearing must commence at the scheduled time unless otherwise decided by the arbitrator. The arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the application, with or without leave to re-apply.

This hearing was scheduled to commence at 11:00 a.m. on July 23, 2018. I dialed into the teleconference at 11:02 a.m. and monitored the teleconference until 11:13 a.m. Neither the Applicant nor the Respondent dialed into the teleconference during this time.

I confirmed that the correct call-in numbers and participant codes had been provided in

the Notice of Hearing. I also confirmed from the teleconference system that I was the only person who had called into this teleconference.

Analysis

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Application with leave to reapply, as I have not made any findings of fact or law with respect to the application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
