## **DECISION**

Dispute Codes: CNC, DRI, FFT, LAT, LRE, MNDCT, OLC

### **Introduction:**

The Application for Dispute Resolution filed by the Tenant seeks the following:

- a. An order to cancel the one month Notice to End Tenancy
- b. An order disputing a rent increase that does not comply with the Act.
- c. An order for the return of the cost of the filing fee
- d. An order authorizing the Tenant to change the locks
- e. A monetary order in the sum of \$10,000
- f. An order suspending or setting conditions on the landlord's right to enter the rental unit
- g. An order that the landlord comply with the Act, Regulations and/or tenancy agreement.

Neither party attended at the scheduled time set for the hearing. I waited 10 minutes to enable them to call in and participate in this hearing. I checked that the hearing was scheduled for 10:30 a.m. on July 26, 2018. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I called in a second time. In both cases the teleconference system confirmed that I was the only person who had called into this teleconference.

I then concluded the hearing and closed the conference call.

As neither party has appeared for the hearing I order the application dismissed with liberty to reapply. I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Residential Tenancy Act.
