DECISION

Dispute Codes CNC, MT

Introduction

This teleconference hearing was scheduled in response to an application by the Tenant under the *Residential Tenancy Act* (the “Act”) to cancel a One Month Notice to End Tenancy for Cause (the “One Month Notice”) and for more time in which to dispute the One Month Notice.

No one called in for either party during the approximately 10 minutes that the phone line remained open.

Issues to be Decided

Should the Tenant be granted more time to dispute the One Month Notice?

Should the One Month Notice be cancelled?

If the One Month Notice is upheld, is the Landlord entitled to an Order of Possession, pursuant to Section 55 of the *Act*?

Background and Evidence

Rule 7.1 of the *Residential Tenancy Branch Rules of Procedure* states that the hearing commences at the scheduled time, unless otherwise determined by the Arbitrator. Rule 7.3 of the *Rules of Procedure* state that in the absence of a party, the hearing may be conducted in their absence or the dispute dismissed, with or without leave to reapply.

The teleconference hearing was scheduled for 11:00 am on October 1, 2018. I called into the hearing at 11:00 am and the phone line was monitored until 11:10 am. Neither party called in during the 10-minute duration that the conference line was left open. The teleconference codes and call-in numbers were confirmed to be accurate on the Notice of Dispute Resolution Proceeding.

Analysis

Due to the absence of both parties, I find that this Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the application for Dispute Resolution with leave to reapply. This decision does not extend any applicable time limits under the *Residential Tenancy Act*. No findings of fact or law were made with respect to the dispute.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
