DECISION

Dispute Codes MNDCT, OLC, PSF

On August 15, 2018, the Tenant submitted an Application for Dispute Resolution under the *Residential Tenancy Act* (the “Act”) to order the Landlord to comply with the Act, to order the Landlord to provide services or facilities required under the Act and for a Monetary Order for damages. The matter was set for a participatory hearing via conference call.

Preliminary Matters

This hearing was scheduled for a conference call hearing on this date.

Rule 7.1 of the *Residential Tenancy Branch - Rules of Procedure* stipulates that the hearing must commence at the scheduled time unless otherwise decided by the Arbitrator. The Arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the Application, with or without leave to re-apply.

This hearing was scheduled to commence at 11:00 a.m. on this date. I dialed into the teleconference at 11:00 a.m. and monitored the teleconference until 11:13 a.m. Neither the Applicant nor the Respondent dialed into the teleconference during this time. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing.

Analysis

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Application for Dispute Resolution with leave to reapply; however, this does not extend any applicable time limits under the Legislation. I have not made any findings of fact or law with respect to the Application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
