Introduction

This is an application by the tenant under the *Residential Tenancy Act* ("the Act") for the following:

- An order to allow access for the tenant under section 30;
- An order to allow lock change authorization for the tenant under section 31; and
- An order for possession by the tenant under section 54.

This matter was set for hearing by telephone conference. Neither party attended although I left the teleconference hearing connection open for an additional ten minutes to enable them to call. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that I was the only one who had called into this teleconference.

Conclusion

As neither the applicant nor the respondent attended the hearing and in the absence of any evidence or submissions, I order the application dismissed with leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
