DECISION

Dispute Codes RP

Introduction

On January 3, 2019, the Tenant submitted an Application for Dispute Resolution under the *Residential Tenancy Act* (the “Act”) to request an order for regular repairs. The matter was set for a participatory hearing via conference call.

Preliminary Matters

This hearing was scheduled for a conference call hearing on this date.

Rule 7.1 of the *Residential Tenancy Branch - Rules of Procedure* stipulates that the hearing must commence at the scheduled time unless otherwise decided by the Arbitrator. The Arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the Application, with or without leave to re-apply.

The Tenant was emailed a copy of the Notice of a Dispute Resolution Hearing by the Residential Tenancy Branch on January 7, 2019; however, did not attend the teleconference hearing set for today at 9:30 a.m. The only person to call into the hearing was the Landlord who indicated that they were ready to proceed. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the only persons who had called into this teleconference was the Landlord and myself.

After keeping the phone line open for 12 minutes, I dismissed the Tenant’s Application without leave to re-apply as the Tenant failed to attend the hearing to present the merits of their Application or, at the very least, cancel their scheduled hearing in advance of the hearing.

Analysis

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Tenant's Application for Dispute Resolution without leave to re-apply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
