DECISION

Dispute Codes ET, FFL

Introduction

This hearing dealt with the landlord's application pursuant to the *Residential Tenancy Act* (the *Act*) for:

- an early termination of tenancy and Order of Possession, pursuant to section 56; and
- authorization to recover the filing fee from the tenant, pursuant to section 72.

The tenant did not attend this hearing, although I left the teleconference hearing connection open until 11:10 a.m. in order to enable the tenant to call into this teleconference hearing scheduled for 11:00 a.m. The landlord attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the landlord and I were the only ones who had called into this teleconference.

Preliminary Issue- Withdrawal

The landlord testified that the tenant moved out of the subject rental property and so he is withdrawing his application. As no further action is required with respect to the application, I dismiss the landlord's application with leave to reapply.

I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
