RECORD OF SETTLEMENT

Dispute Codes CNC

Section 63 of the *Residential Tenancy Act* provides that the parties may attempt to settle their dispute during a hearing. Pursuant to this provision, **discussion between the parties at the outset of the hearing led to a resolution**. Specifically, it was agreed as follows;

1. Both parties agree that the tenant will move out by no later than 1:00 p.m. on September 30, 2019; and
2. Both parties agreed that the tenants' common law husband; Michael Garrison will vacate the property by no later than 12:00 p.m. on Thursday August 1, 2019 and will not return.

Pursuant to this agreement the landlord will be given an order of possession to reflect condition #1 of this agreement. Should it be necessary, this order may be filed in the Supreme Court and enforced as an order of that Court.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
