DECISION

Dispute Codes CNQ, LAT, MT

Introduction

This hearing was convened by way of conference call in response to an Application for Dispute Resolution filed by the Tenant on May 30, 2019 (the “Application”). The Tenant applied to dispute a Two Month Notice to End Tenancy Issued Because Tenant Does Not Qualify for Subsidized Rental Unit, for more time to file the dispute and for authorization to change the locks to the rental unit.

Neither party attended at the appointed time set for the hearing. I waited until 11:10 a.m. to enable the parties to participate in this hearing scheduled for 11:00 a.m. I confirmed from the teleconference system that I was the only person who had called into this teleconference. I confirmed the correct call-in numbers and participant code had been provided in the Notice of Hearing.

Given neither party attended the hearing, I dismiss the Application with leave to re-apply. This does not extend any time limits in the *Residential Tenancy Act*.

Conclusion

The Application is dismissed with leave to re-apply. This does not extend any time limits set out in the *Act*.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Act*.
