## **DECISION**

Dispute Codes: CNL, FF

### **Introduction:**

The Application for Dispute Resolution filed by the Tenants seeks an order to cancel the four month Notice to End Tenancy dated May 28, 2019 and setting the end of tenancy for September 30, 2019

Neither party attended at the scheduled time set for the hearing. I waited 10 minutes to enable them to call in and participate in this hearing. I checked that the hearing was scheduled for 9:30 a.m. on August 20, 2019. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I called in a second time. On both occasions the teleconference system confirmed that I was the only person who had called into this teleconference.

I then concluded the hearing and closed the conference call.

As neither party has appeared for the hearing I order the application dismissed with liberty to reapply. I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Residential Tenancy Act.

Dated: August 20, 2019
