DECISION

Dispute Codes CNR

The tenant did not attend this hearing, although I left the teleconference hearing connection open until 9:40 am in order to enable the tenant to call into this teleconference hearing scheduled for 9:30 am.

The landlord attended the hearing. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the landlord and I were the only ones who had called into this teleconference.

The landlord informed me that the tenant had moved out on September 01, 2019 and that he had gained possession of the rental unit.

As the applicant did not call into the conference call, this application is dismissed without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
