## DECISION

Dispute Codes      CNC

### Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the "Act") for:

- cancellation of the landlord's One Month Notice to End Tenancy for Cause (the One Month Notice) pursuant to section 47;

All named parties attended the hearing. During the hearing, the parties expressed an interest and were successful in resolving this dispute by mutual agreement.

### Terms of Settlement

Pursuant to section 63 of the Act, an arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order.

The parties reached an agreement to settle their dispute under the following final and binding terms:

1. The tenant and landlord reached a mutual agreement to **end this tenancy no later than 1:00 p.m. on September 27, 2019**, and, the landlord will be granted an **Order of Possession** effective this date.
2. The parties advised that they had a related proceeding (File #11052566) scheduled to be heard on September 23, 2019. The parties agreed and understood that this settlement also resolves all matters under the related application and that hearing will be cancelled.

Each party confirmed that this agreement was reached voluntarily and that they understood the terms of the agreement. The parties agreed that these particulars comprise the full and final settlement of all aspects of this dispute.

**This Decision and Settlement Agreement is final and binding on both parties.**

Conclusion

I grant an Order of Possession to the landlord effective **1:00 p.m. on September 27, 2019**. Should the tenant(s) fail to comply with this Order, this Order may be filed and enforced as an Order of the Supreme Court of British Columbia.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.

Dated: September 20, 2019
