## DECISION

Dispute Codes      OPRM-DR, FFL

### Introduction

This matter proceeded by way of an *ex parte* Direct Request Proceeding, pursuant to section 55(4) of the *Residential Tenancy Act* (the “*Act*”), and dealt with an Application for Dispute Resolution by the landlord for an Order of Possession based on unpaid rent and a Monetary Order.

The landlord submitted a signed Proof of Service of the Notice of Direct Request Proceeding form which declares that on September 20, 2019, the landlord’s agent served the tenant with the Notice of Direct Request Proceeding via registered mail. The landlord provided a copy of the Canada Post Customer Receipt containing the Tracking Number to confirm this mailing. Section 90 of the *Act* determines that a document served in this manner is deemed to have been received five days after service.

Based on the written submissions of the landlord, and in accordance with sections 89 and 90 of the *Act*, I find that the tenant has been deemed served with the Direct Request Proceeding documents on September 25, 2019, the fifth day after their registered mailing.

### Issue(s) to be Decided

Is the landlord entitled to an Order of Possession for unpaid rent pursuant to sections 46 and 55 of the *Act*?

Is the landlord entitled to monetary compensation for unpaid rent pursuant to section 67 of the *Act*?

Is the landlord entitled to recover the filing fee for this application pursuant to section 72 of the *Act*?

## Background and Evidence

I have reviewed all written submissions and evidence before me; however, only the evidence and submissions relevant to the issues and findings in this matter are described in this decision.

On the landlord's Application for Dispute Resolution by Direct Request, the landlord seeks an Order of Possession based on unpaid rent and a Monetary Order for unpaid rent in the amount of \$494.00.

The landlord submitted the following evidentiary material:

- A copy of a residential tenancy agreement which was signed by the landlord's agent and the tenant, indicating a monthly rent of \$672.00 due on the first day of the month for a tenancy commencing on August 01, 2017. The tenancy agreement indicates that the landlord cooperates with various governmental agencies and/or a provincial housing commission with respect to subsidized housing, and that for eligible tenants, the rent is related to the tenant's income. The provincial housing commission calculates the tenant's portion of the rent contribution based on an application for rent subsidy. The tenancy agreement provides that the tenant is to provide income information for the purpose of qualifying for subsidized housing and to calculate a rent contribution subsidy;
- A letter dated December 14, 2018, in which the landlord notified the tenant that subsequent to an "application for rent subsidy", the calculation of the tenant's rent contribution established that effective November 01, 2018, the tenant's rent contribution was set at \$472.00, which effectively established that the tenant owes a monthly amount of \$472.00 each month toward the monthly rent owed under the tenancy agreement for the period of November 01, 2018 to October 31, 2019. The letter included an accompanying document titled "Calculation of Rent Contribution Details", in which the landlord determined the calculation of the tenant's rent contribution;
- A Direct Request Worksheet showing the rent owing during the relevant portion of this tenancy in question, on which the landlord establishes that there is unpaid rent owed in the amount of \$494.00, comprised of the balance of unpaid rent due by July 01, 2019;
- A copy of a 10 Day Notice to End Tenancy for Unpaid Rent (the Notice) dated September 03, 2019, which the landlord states was served to the tenant on September 03, 2019, for \$494.00 in unpaid rent due on July 01, 2019, with a stated effective vacancy date of September 13, 2019; and
- A copy of the Proof of Service of the Notice showing that the landlord served the Notice to the tenant by way of posting it to the door of the rental unit on September 03, 2019. The Proof of Service form establishes that the service of

the Notice was witnessed and a name and signature for the witness are included on the form.

The Notice restates section 46(4) of the *Act* which provides that the tenant had five days to pay the rent in full or apply for Dispute Resolution or the tenancy would end on the effective date of the Notice. The tenant did not apply to dispute the Notice within five days from the date of service and the landlord alleged that the tenant did not pay the rental arrears.

### Analysis

I have reviewed all documentary evidence provided by the landlord. Section 90 of the *Act* provides that because the Notice was served by posting the Notice to the door of the rental unit, the tenant is deemed to have received the Notice three days after its posting. In accordance with sections 88 and 90 of the *Act*, I find that the tenant is deemed to have received the Notice on September 06, 2019, three days after its posting.

I find that the tenant was obligated to pay monthly rent, in the form of a tenant rent contribution, in the amount of \$472.00 each month. I accept the evidence before me that the tenant has failed to pay rental arrears in the amount of \$494.00, comprised of the balance of unpaid rent owed by July 01, 2019.

I accept the landlord's undisputed evidence and find that the tenant did not pay the rent owed in full within the five days granted under section 46 (4) of the *Act* and did not apply to dispute the Notice within that five-day period.

Based on the foregoing, I find that the tenant is conclusively presumed under section 46(5) of the *Act* to have accepted that the tenancy ended on the corrected effective date of the Notice, September 16, 2019 pursuant to section 53(2) of the *Act*.

Therefore, I find that the landlord is entitled to an Order of Possession and a monetary Order of \$494.00 for unpaid rent owed by September 01, 2019, as claimed on the landlord's Application for Dispute Resolution by Direct Request.

As the landlord was successful in this application, I find that the landlord is entitled to recover the \$100.00 filing fee paid for this application.

### Conclusion

I grant an Order of Possession to the landlord effective **two days after service of this Order** on the tenant. Should the tenant(s) fail to comply with this Order, this Order may be filed and enforced as an Order of the Supreme Court of British Columbia.

Pursuant to sections 67 and 72 of the *Act*, I find that the landlord is entitled to a monetary Order in the amount of \$594.00 for unpaid rent, and for the recovery of the filing fee for this application. The landlord is provided with these Orders in the above

terms and the tenant must be served with **this Order** as soon as possible. Should the tenant fail to comply with these Orders, these Orders may be filed in the Small Claims Division of the Provincial Court and enforced as Orders of that Court.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
