DECISION

Dispute Codes: CNR

Introduction:

The Application for Dispute Resolution filed by the Tenant seeks an order to cancel the 10 day Notice to End Tenancy dated September 1, 2019.

The Landlord failed to appear at the scheduled start of the hearing which was 9:30 a.m. on November 5, 2019. The Tenant was present and ready to proceed. I left the teleconference hearing connection open and did not start the hearing until 10 minutes after the schedule start time in order to enable the landlord to call in. The landlord failed to appear. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I then proceeded with the hearing. The tenant was given a full opportunity to present affirmed testimony, to make submissions and to call witnesses.

The tenant testified the matter has been resolved, she has vacated the rental unit and she wished to withdraw the Application.

As a result I ordered that the application be dismissed with withdrawn.

This decision is final and binding on the parties.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under section 9.1(1) of the Residential Tenancy Act.

Dated: November 05, 2019
