DECISION

Dispute Codes CNR, FFT

Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the *Act*) for:

- cancellation of the 10 Day Notice to End Tenancy for Unpaid Rent, pursuant to section 46; and
- authorization to recover the filing fee for this application from the landlord, pursuant to section 72.

The landlord did not attend this hearing, although I left the teleconference hearing connection open until 11:10 a.m. in order to enable the landlord to call into this teleconference hearing scheduled for 11:00 a.m. The tenant attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the tenant and I were the only ones who had called into this teleconference.

Pre-liminary Issue- End of Tenancy

The tenant testified that he has moved out of the subject rental property and that this tenancy has ended.

I dismiss the tenant's application for dispute resolution because the issues raised in the application are no longer applicable as the tenancy has ended.

Conclusion

The tenant's application for dispute resolution is dismissed without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
