Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the "Act") for:

- a monetary order for compensation for damage or loss under the Act, regulation or tenancy agreement pursuant to section 67;
- an order requiring the landlord to comply with the Act, regulation or tenancy agreement pursuant to section 62;
- an order to the landlord to make repairs to the rental unit pursuant to section 32;
- an order to allow the tenant(s) to reduce rent for repairs, services or facilities agreed upon but not provided, pursuant to section 65;
- an order to the landlord to provide services or facilities required by law pursuant to section 65;
- authorization to change the locks and/or to suspend or set conditions on the landlord's right to enter the rental unit pursuant to section 70;

While the respondent attended the hearing by way of conference call, the applicant did not, although I waited until 11:10 a.m. in order to enable the applicant to connect with this teleconference hearing scheduled for 11:00 a.m. The applicant should have been aware of the hearing date, time and call in instructions as this dispute was initiated by the applicant and the applicant was required to serve a copy of the notice of hearing on the respondent. The landlord also advised he had not been served with the application by the tenant and that he had only received an e-mail notification from the Residential Tenancy Branch.

Accordingly, in the absence of the applicant's participation in this hearing, I order the application dismissed without leave to reapply.

Conclusion

The application is dismissed without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
