DECISION

Dispute Codes MNSDB-DR, FFT

Introduction

This matter proceeded by way of an *ex parte* Direct Request Proceeding, pursuant to section 38.1 of the *Residential Tenancy Act* (the *Act*), and dealt with an Application for Dispute Resolution by the tenants for a Monetary Order for the return of the security deposit and the pet damage deposit (the deposits).

The tenants submitted a copy of a Canada Post Customer Receipt and envelope containing a Tracking Number to confirm a package was sent to the landlords by registered mail on March 23, 2020.

Issue(s) to be Decided

Are the tenants entitled to monetary compensation for the return of a security deposit and a pet damage deposit pursuant to sections 38 and 67 of the *Act*?

Are the tenants entitled to recover the filing fee for this application pursuant to section 72 of the *Act*?

Analysis

In an *ex parte* Direct Request Proceeding, the onus is on the tenant to ensure that all submitted evidentiary material is in accordance with the prescribed criteria and that such material does not lend itself to ambiguity or give rise to issues that may need clarification beyond the purview of a Direct Request Proceeding. If the tenant cannot establish that all documents meet the standard necessary to proceed via the Direct Request Proceeding, the application may be found to have deficiencies that necessitate a participatory hearing, or, in the alternative, the application may be dismissed.

In this type of matter, the tenants must prove they served the landlords with the Notices of Direct Request proceeding with all the required inclusions as indicated on the Notice as per section 89 of the *Act*.

Policy Guideline #49 on Tenant's Direct Request provides the following requirements:

"Once the package is served, the tenant must complete and submit a Proof of Service Tenant's Notice of Direct Request Proceeding (Form RTB-50) which is provided by the Branch with the Notice of Dispute Resolution Proceeding"

The tenants submitted a copy of a Canada Post Customer Receipt and envelope containing a Tracking Number to confirm a package was sent to the landlords on March 23, 2020. However, the tenants have not provided a copy of the Proof of Service Tenant's Notice of Direct Request Proceeding forms which is a requirement of the Direct Request process as detailed in Policy Guideline #49.

Policy Guideline #12 on Service Provisions also provides the following requirement:

"All parties named on an application for dispute resolution must be served separate notice of proceedings, including any supporting documents submitted with the application, as set out in the Legislation"

I find that the envelope submitted by the tenants shows that the tenants have sent one mailing with multiple persons named. In an ex parte hearing, I find that I am not able to confirm service of the Notices of the Direct Request Proceeding to each of the parties individually as required by sections 71 and 89 of the *Act*.

For these reason, the tenants' application for a Monetary Order for the return of the security deposit and the pet damage deposit is dismissed with leave to reapply.

As the tenants were not successful in this application, I find that the tenants are not entitled to recover the \$100.00 filing fee paid for this application.

Conclusion

I dismiss the tenants' application for a Monetary Order for the return of the security deposit and the pet damage deposit with leave to reapply.

I dismiss the tenants' application to recover the filing fee paid for this application without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
