## DECISION

Dispute Codes      **OLC, CNR, DRI, FFT**

### Introduction

This hearing was scheduled for 11:00 a.m. on this date, via teleconference call, to deal with the tenant's application to cancel a Notice to End Tenancy, orders for the landlord to comply with the Act, regulations or tenancy agreement, and dispute a rent increase.

The tenant appeared at the hearing and testified that she had served the landlord with notification of this proceeding by way of registered mail sent within three days of filing. The tenant proceeded to state she moved out of the rental unit a couple of months ago and the remedies she had sought in her Application for Dispute Resolution are now moot. The tenant requested cancellation of the hearing. I granted the tenant's request and I have closed this file.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
