## **DECISION**

Dispute Codes      CNC, FFT

### Introduction/Evidence

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the Act) for:

- cancellation of the One Month Notice to End Tenancy for Cause, pursuant to section 47; and
- authorization to recover the filing fee for this application from the landlord, pursuant to section 72.

The tenant did not attend this hearing, although I left the teleconference hearing connection open until 9:40 a.m. in order to enable the tenant to call into this teleconference hearing scheduled for 9:30 a.m. The landlord attended the hearing and were given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the landlord and I were the only ones who had called into this teleconference.

The landlord testified that the tenant moved out of the subject rental property on March 22, 2020.

### Analysis/Conclusion

Rule 7.1 of the Rules of Procedure states that the dispute resolution hearing will commence at the scheduled time unless otherwise set by the arbitrator. Rule 7.3 states that if a party or their agent fails to attend the hearing, the arbitrator may conduct the dispute resolution hearing in the absence of that party, or dismiss the application, with or without leave to re-apply.

Based on the above, **in the absence of any evidence or submissions from the applicant I order the application dismissed without liberty to reapply.**

Section 55 of the *Act* states that if a tenant makes an application for dispute resolution to dispute a landlord's notice to end a tenancy, the director must grant to the landlord an order of possession of the rental unit if:

- the landlord's notice to end tenancy complies with section 52 [*form and content of notice to end tenancy*], and
- the director, during the dispute resolution proceeding, dismisses the tenant's application or upholds the landlord's notice.

I decline to award the landlord an Order of Possession under section 55 of the *Act* because the tenant has already provided the landlord with vacant possession of the subject rental property.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
