Ltd. and [tenant name suppressed to protect privacy]

DECISION

Dispute Codes MNRL-S, FFL

Introduction

This hearing dealt with an application by the landlord under the *Residential Tenancy Act* (the *Act*) for the following:

- A monetary order for unpaid rent and for compensation for damage or loss under the *Act*, *Residential Tenancy Regulation* ("*Regulation*") or tenancy agreement pursuant to section 67 of the *Act*;
- Authorization to retain all or a portion of the tenant's security deposit in partial satisfaction of the monetary order requested pursuant to section 72 of the *Act*;
- Authorization to recover the filing fee for this application pursuant to section 72.

SC attended as agent for the landlord ("the landlord"). Agents for the tenant JM and JM, the tenant's parents, attended ("the tenant").

No issues of service were raised. I find the Applicant served the Respondent as required under the *Act*.

The hearing process was explained, and each party had the opportunity to ask questions. The hearing lasted 36 minutes.

Both parties had an opportunity to be heard, to present their affirmed testimony and to make submissions.

Before the conclusion of this hearing, the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise, and achieved a resolution of their dispute.

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties do so during the dispute resolution proceedings, the settlement may be recorded in the form of a Decision or an Order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a Decision:

The parties agreed as follows:

1. The landlord's claim is settled as follows:
 - a) The landlord is authorized to retain the security deposit of \$647.50;
 - b) The landlord acknowledged receipt of the sum of \$1,395.00 as the balance owing the landlord.

Both parties testified that they understood and agreed that the above terms are final, binding, and enforceable, and settle all aspects of this application.

Based on the above, I find that all matters between these parties raised in this application are resolved pursuant to the above agreed terms.

Conclusion

I find that all matters between these parties raised in this application are resolved pursuant to the above agreed terms.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
