## DECISION

Dispute Codes      OPL, FFL

### Introduction

This hearing dealt with the landlord's application pursuant to the *Residential Tenancy Act* (the *Act*) for:

- an Order of Possession for landlord's use of property, pursuant to section 49; and
- authorization to recover the filing fee from the tenant, pursuant to section 72.

The tenant did not attend this hearing, although I left the teleconference hearing connection open until 9:40 a.m. in order to enable the tenant to call into this teleconference hearing scheduled for 9:30 a.m. The landlord's agent attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the landlord's agent and I were the only ones who had called into this teleconference.

At the outset of the hearing, the landlord's agent withdrew the landlord's application for dispute resolution. As no further action is required with respect to the application, I dismiss the landlord's application with leave to reapply.

I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

Conclusion

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
