## DECISION

Dispute Codes      **ERP**

### Introduction

This hearing dealt with an application by the tenant under the *Residential Tenancy Act* (the *Act*) for the following:

- An order requiring the landlord to carry out emergency repairs pursuant to section 33;

The agents CF, CR and SD attended for the landlord (“the landlord”). The tenant OA attended for the tenants (“the tenant”). The parties were given a full opportunity to be heard, to present affirmed testimony, make submissions, and call witnesses. I explained the hearing process and provided the parties with an opportunity to ask questions. The parties did not raise any issues regarding the service of evidence. The landlord corrected the spelling of the landlord’s name which is amended throughout.

The parties attended and were given a full opportunity to be heard, to present affirmed testimony, make submissions, and call witnesses. I explained the hearing process and provided the parties with an opportunity to ask questions. The parties did not raise any issues regarding the service of evidence.

Before the conclusion of this hearing, the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise, and achieved a resolution of their dispute.

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties do so during the dispute resolution proceedings, the settlement may be recorded in the form of a Decision or an Order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a Decision:

**The parties agreed as follows:**

1. The tenancy between the parties will end at 1:00 PM on August 31, 2020, by which time the tenant and any other occupants will return vacant possession of the rental unit to the landlord;

Both parties testified that they understood and agreed that the above terms are final, binding, and enforceable, and settle all aspects of this application. The parties are still bound by all the rights, responsibilities, terms, conditions and any statutory compensation provisions of the tenancy agreement, the *Act*, and the associated regulations.

Based on the above, I find that all matters between these parties raised in this application are resolved pursuant to the above agreed terms.

To give effect to the settlement reached between the parties and as advised to both parties during the hearing, I issue to the landlord an Order of Possession dated 1:00 PM on August 31, 2020 to be served on the tenant ONLY if the tenant fails to abide by the terms set out in this settlement agreement.

Conclusion

I issue to the landlord an Order of Possession dated 1:00 PM on August 31, 2020 to be served on the tenant ONLY if the tenant fails to abide by the terms set out in this settlement agreement. Should the landlord be required to serve this Order on the tenant and should the tenant or anyone occupying the premises fail to comply with this Order, this Order may be filed and enforced as an Order of the Supreme Court of British Columbia.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
