DECISION

Dispute Codes CNL-2M

Introduction

On October 29, 2020, the Tenant submitted an Application for Dispute Resolution under the *Residential Tenancy Act* (the “Act”) requesting to cancel a Two Month Notice to End Tenancy for Landlord’s Use. The matter was set for a participatory hearing via conference call.

Preliminary Matters

The Tenant’s advocates attended the hearing and prior to being affirmed, the advocates stated that they would like to withdraw the Application for Dispute Resolution on behalf of the Tenant. The advocates stated that the Tenant had moved out of the rental unit and that the Landlord had agreed to a withdrawal of this Application.

I find this Application for Dispute Resolution has been withdrawn.

Conclusion

I find this Application for Dispute Resolution has been withdrawn by the Tenant, via their advocates.

I have not made any findings of fact or law with respect to the Application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
