DECISION

Dispute Codes AS, FFT

Introduction

On November 16, 2020, the Tenants submitted an Application for Dispute Resolution under the *Residential Tenancy Act* (the “Act”) to request an order for the Landlord to authorize the assignment or sublet of the rental unit, and to claim reimbursement for the filing fee. The matter was set for a participatory hearing via conference call.

Preliminary Matters

Rule 7.1 of the *Residential Tenancy Branch - Rules of Procedure* stipulates that the hearing must commence at the scheduled time unless otherwise decided by the Arbitrator. The Arbitrator may conduct the hearing in the absence of a party and may make a decision or dismiss the Application, with or without leave to re-apply.

This hearing was scheduled to commence at 9:30 a.m. on this date. I dialed into the teleconference at 9:30 a.m. and monitored the teleconference until 9:40 a.m. Neither the Applicants nor the Respondent dialed into the teleconference during this time. I confirmed that the correct call-in numbers and participant access codes had been provided in the Notice of Dispute Resolution Proceeding. I also confirmed from the teleconference system that I was the only person who had called into this teleconference.

Analysis

I find that the Application for Dispute Resolution has been abandoned.

Conclusion

I dismiss the Application for Dispute Resolution with leave to reapply; however, this does not extend any applicable time limits under the Legislation. I have not made any findings of fact or law with respect to the Application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
