## DECISION

**Dispute Codes**      MNRL-S, FFL

This hearing dealt with the landlord's application pursuant to the *Residential Tenancy Act* (the "**Act**") for:

- authorization to retain all or a portion of the tenant's security deposit in partial satisfaction of the monetary order requested pursuant to section 38;
- a monetary order for unpaid rent in the amount of \$1,525 pursuant to section 67;
- authorization to recover the filing fee for this application from the tenant pursuant to section 72.

Both parties attended the hearing and were each given a full opportunity to be heard, to present affirmed testimony, to make submissions, and to call witnesses.

Pursuant to section 63 of the Act, an arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order. During the hearing the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise and achieved a resolution of their dispute.

Both parties agreed to the following final and binding settlement of all issues currently under dispute:

1. The landlord may retain the full amount of the security deposit (\$762.50) in satisfaction of all rental arrears owed.

These particulars comprise the full and final settlement of all aspects of this dispute. The parties gave verbal affirmation at the hearing that they understood and agreed to the above terms as legal, final, and binding, which settle all aspects of this dispute between them.

### **Conclusion**

As the parties have reached a settlement, I make no factual findings about the merits of this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
