DECISION

Dispute Codes CNL

Introduction

Pursuant to section 58 of the Residential Tenancy Act (the Act), I was designated to hear an application regarding the above-noted tenancy. The tenants applied for cancellation of the Two Month Notice to End Tenancy for Landlord's Use (the Notice), issued pursuant to section 49.

Both parties attended the hearing. The landlord was represented by MA. All were given a full opportunity to be heard, to present affirmed testimony, to make submissions, and to call witnesses.

At the outset of the hearing the attending parties affirmed they understand it is prohibited to record this hearing.

Settlement

Pursuant to section 63 of the Act, an arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order. During the hearing the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise and achieved a resolution of their dispute.

Both parties agreed to the following final and binding settlement of the issue listed in this application for dispute resolution:

1. The Notice dated April 04, 2021 is cancelled. The tenancy will continue until ended in accordance with the Act.
2. MA is authorized to represent the landlords during the tenancy.

Conclusion

As the parties have reached a settlement, I make no factual findings about the merits of this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
