Dispute Codes      CNR

### Introduction

Pursuant to section 58 of the Residential Tenancy Act (the Act), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for cancellation of a 10 Day Notice to End Tenancy for Unpaid Rent or Utilities, pursuant to section 46.

I left the teleconference connection open until 9:42 A.M. to enable the landlord to call into this teleconference hearing scheduled for 9:30 A.M. The landlord did not attend the hearing. The tenant attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the tenant and I were the only ones who had called into this teleconference.

At the outset of the hearing the tenant affirmed he understands it is prohibited to record this hearing.

The tenant stated the landlord withdrew the Notice on May 19, 2021 and he wishes to withdraw this application.

Section 62(4)(b) of the Act states an application should be dismissed if the application or part of an application for dispute resolution does not disclose a dispute that may be determined under the Act. I exercise my authority under section 62(4)(b) of the Act to dismiss this application for dispute resolution.

### Conclusion

I dismiss the tenant's application without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
