DECISION

Dispute Codes MNR MNSD FF

Introduction

This hearing was convened as a result of the Landlord's Application for Dispute Resolution. A participatory hearing was held on May 13, 2022. The Landlord applied to recover rental losses and to claim against the security deposit, pursuant to the *Residential Tenancy Act* (the "*Act*").

The Landlord and one of the Tenants attended the hearing and provided affirmed testimony.

Settlement Agreement

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a decision:

- The landlord will retain the security deposit (\$837.50) in full, and the Landlord withdraws this application, in full.
- Both parties agree that all monetary issues between the parties with respect to the tenancy are settled in full.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

Conclusion

I order that the Landlord may retain the security deposit in full.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
