DECISION

Dispute Codes CNC, FFT

Introduction

Pursuant to section 58 of the Residential Tenancy Act (the Act), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for:

- cancellation of the One Month Notice to End Tenancy for Cause (the Notice), pursuant to section 47; and
- an authorization to recover the filing fee for this application, under section 72.

Tenants AM and MS and advocate NC (the tenant) and landlords AC and RC and advocate RA (the landlord) attended the hearing. All were given a full opportunity to be heard, to present affirmed testimony, to make submissions, and to call witnesses.

At the outset of the hearing the attending parties affirmed they understand the parties are not allowed to record this hearing.

Per section 95(3) of the Act, the parties may be fined up to \$5,000.00 if they record this hearing: "A person who contravenes or fails to comply with a decision or an order made by the director commits an offence and is liable on conviction to a fine of not more than \$5,000.00."

At the outset of the hearing both parties agreed the tenants moved out on March 31, 2022. The landlords have possession of the rental unit.

The application for cancellation of the Notice is moot since the tenancy has ended and the landlord has possession of the rental unit.

Section 62(4)(b) of the Act states an application should be dismissed if the application or part of an application for dispute resolution does not disclose a dispute that may be determined under the Act. I exercise my authority under section 62(4)(b) of the Act to dismiss the application.

The tenant must bear the cost of the filing fee, as the tenant was not successful.

Conclusion

I dismiss the tenant's application without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
