DECISION

Dispute Codes FFT, CNR

Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* ("the *Act*") for:

- cancellation of the landlord's 10 Day Notice to End Tenancy for Unpaid Rent (the 10 Day Notice) pursuant to section 46; and
- authorization to recover the filing fee for this application from the landlord, pursuant to section 72 of the *Act*.

While the tenant attended the hearing by way of conference call, the landlord did not. I waited until 11:06 a.m. to enable the landlord to participate in this scheduled hearing for 11:00 a.m. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. During the hearing, I also confirmed from the online teleconference system that the tenant and I were the only ones who had called into this teleconference.

The tenant was clearly informed of the RTB Rules of Procedure Rule 6.11 which prohibits the recording of a dispute resolution hearing by the attending parties. The tenant confirmed that they understood.

The tenant testified that the parties achieved a resolution of the matter before the hearing date, and the hearing was no longer required. Accordingly, the tenant's entire application was cancelled.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
