DECISION

Dispute Codes CNR

Introduction

This hearing was convened as a result of the Tenant's Application for Dispute Resolution. The Tenant applied to cancel a 10 Day Notice for Unpaid Rent or Utilities (the Notice), pursuant to the *Residential Tenancy Act* (the "Act").

Both sides attended the hearing and provided affirmed testimony. All parties were provided the opportunity to present evidence orally and in written and documentary form, and to make submissions to me.

I have reviewed all oral and written evidence before me that met the requirements of the Rules of Procedure. However, only the evidence relevant to the issues and findings in this matter are described in this Decision.

Settlement Agreement

During the hearing, a mutual agreement was discussed and both parties agreed to end the tenancy in the following manner.

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a decision:

- The Tenant will move out of the rental unit by **September 30, 2022, at 1pm**.
- All 10 Day Notices, issued thus far are cancelled and set aside.
- The Landlord agrees to forgive the Tenant's outstanding balance of \$273.79 (accumulated over last couple of years).
- The Tenant is still required to pay rent for August and September 2022.
- These terms comprise the full and final settlement of all aspects of this dispute for both parties.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

Conclusion

In support of the agreement described above, the landlord is granted an order of possession effective September 30, 2022, at 1pm and after service on the tenant. The Landlord may serve and enforce this Order if the Tenant fails to move out as specified above.

This Order **must** be read in conjunction with the above settlement agreement and the Landlord **must not** seek to enforce this Order on the Tenants, unless the Tenants fail to meet the conditions of this agreement.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
