DECISION

Dispute Codes CNL-MT, MNDCT, FFT

Introduction

This hearing was convened by way of conference call in response to an Application for Dispute Resolution filed by the Tenants April 28, 2022 (the “Application”). The Tenants applied as follows:

- To dispute a Two Month Notice to End Tenancy for Landlord's Use of Property and for more time to dispute the notice
- For compensation for monetary loss or other money owed
- To recover the filing fee

Neither party attended at the appointed time set for the hearing. I waited until 11:10 a.m. to enable the parties to participate in this hearing scheduled for 11:00 a.m. I confirmed from the teleconference system that I was the only person who had called into this teleconference. I confirmed that the correct call-in numbers and participant code had been provided in the Notice of Hearing.

Given neither party attended the hearing, I dismiss the Application with leave to re-apply. This decision does not extend any time limits set out in the *Residential Tenancy Act* (the “Act”).

Conclusion

The Application is dismissed with leave to re-apply. This decision does not extend any time limits set out in the *Act*.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Act*.
