RECORD OF SETTLEMENT

Dispute Codes CNL, FFT

Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the Act) for:

- cancellation of the landlord's 2 Month Notice to End Tenancy for Landlord's Use of Property (the 2 Month Notice) pursuant to section 49; and
- authorization to recover his filing fee for this application from the landlord pursuant to section 72.

Settlement

Section 63 of the *Residential Tenancy Act* provides that the parties may attempt to settle their dispute during a hearing. Pursuant to this provision, discussion between the parties at the outset of the hearing led to a resolution. Specifically, it was agreed as follows;

1. Both parties agree that the tenants will move out by no later than 1:00 p.m. on December 31, 2022.

Pursuant to this agreement the landlord will be given an order of possession to reflect condition #1 of this agreement. Should it be necessary, this order may be filed in the Supreme Court and enforced as an order of that Court.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

The filing fee is a discretionary award usually issued by an Arbitrator after a party is fully successful after a full hearing on the merits of the application. As I was not required to make a decision regarding this application and both parties agreed to voluntarily settle this matter, I decline to award the recovery of the filing fee to the applicants.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
