DECISION

Dispute Codes OPL, FFL

Introduction

This hearing dealt with the landlords' application pursuant to the *Residential Tenancy Act* (the Act) for:

- an Order of Possession for landlord's use of property, pursuant to section 49; and
- authorization to recover the filing fee from the tenant, pursuant to section 72.

The tenant did not attend this hearing, although I left the teleconference hearing connection open until 9:40 a.m. in order to enable the tenant to call into this teleconference hearing scheduled for 9:30 a.m. Landlord B.S. attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that landlord B.S. and I were the only ones who had called into this teleconference.

Landlord B.S. testified that the tenant moved out of the subject rental property on October 1, 2022. I find that the issues raised in the application are no longer applicable as the tenancy has ended. The landlords' application for dispute resolution is therefore dismissed without leave to reapply.

Conclusion

The landlords' application for dispute resolution is dismissed without leave to reapply.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
