DECISION

Dispute Codes MNDCL-S, FFL

Introduction

This hearing dealt with the landlord's application pursuant to the *Residential Tenancy Act* (the *Act*) for:

- a Monetary Order for damage or compensation, pursuant to section 67;
- authorization to retain the tenants' security deposit, pursuant to section 38; and
- authorization to recover the filing fee from the tenants, pursuant to section 72.

The tenants did not attend this hearing, although I left the teleconference hearing connection open until 1:40 p.m. in order to enable the tenants to call into this teleconference hearing scheduled for 1:30 p.m. The landlord's agent (the "agent") attended the hearing and was given a full opportunity to be heard, to present affirmed testimony, to make submissions and to call witnesses. I confirmed that the correct call-in numbers and participant codes had been provided in the Notice of Hearing. I also confirmed from the teleconference system that the agent and I were the only ones who had called into this teleconference.

The agent confirmed the landlord's email address for service of this Decision.

Preliminary Issue- Service

The agent testified that the tenants were served with the landlord's application for dispute resolution via email but did not know on what date. No proof of service documents were entered into evidence. During the hearing the agent looked through the landlord's emails and could not locate the serving email. The agent testified that a step was missed and withdrew the landlord's application for dispute resolution.

As no further action is required with respect to the application, I dismiss the landlord's application for dispute resolution with leave to reapply.

I make no findings on the merits of the matter. Liberty to reapply is not an extension of any applicable limitation period.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
