A matter regarding WOODSMERE HOLDING CORP.  
and [tenant name suppressed to protect privacy]

## **RECORD OF SETTLEMENT**

Dispute Codes    CNC, FFT

### Introduction

This hearing dealt with the tenant's application pursuant to the *Residential Tenancy Act* (the *Act*) for:

- cancellation of the landlord's 1 Month Notice to End Tenancy for Cause (the 1 Month Notice) pursuant to section 47; and
- authorization to recover his filing fee for this application from the landlord pursuant to section 72.

Both parties participated in the teleconference and gave affirmed testimony.

### Settlement

Section 63 of the *Residential Tenancy Act* provides that the parties may attempt to settle their dispute during a hearing. Pursuant to this provision, discussion between the parties at the outset of the hearing led to a resolution. Specifically, it was agreed as follows;

1. Both parties agreed that the One Month Notice to End Tenancy for Cause dated March 6, 2023 can be cancelled and that the parties agree to continue the tenancy in accordance with the Act, regulation, and tenancy agreement.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

The filing fee is a discretionary award usually issued by an Arbitrator after a party is fully successful after a full hearing on the merits of the application. As I was not required to make a decision regarding this application and both parties agreed to voluntarily settle this matter, I decline to award the recovery of the filing fee to the applicant.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
