## **DECISION**

**Dispute Codes**      **MNDL-S, FFL**

### **Introduction**

This hearing dealt with an application by the landlord under the *Residential Tenancy Act* (the *Act*) for the following:

- A monetary order for unpaid rent and for compensation for damage or loss under the *Act*, *Residential Tenancy Regulation* (“*Regulation*”) or tenancy agreement pursuant to section 67 of the *Act*;
- Authorization to retain all or a portion of the tenant’s security deposit in partial satisfaction of the monetary order requested pursuant to section 72 of the *Act*;
- An order requiring the tenant to reimburse the landlord for the filing fee pursuant to section 72.

SM attended on behalf of the tenants (“the tenant”). SMD attended on behalf of the landlords (the “landlord”).

The hearing process was explained, and each party had the opportunity to ask questions. The hearing lasted 38 minutes.

There were no issues raised regarding service. I find each party served the other as required.

Both parties had an opportunity to be heard, to present their affirmed testimony and to make submissions.

Each party confirmed they were not recording the hearing.

Each party provided their address to which the Decision shall be sent.

### Settlement

I explained the hearing and settlement processes, and the potential outcomes and consequences, to both parties. Both parties had an opportunity to ask questions, which I answered.

Neither party made any adjournment or accommodation requests.

Before the conclusion of this hearing, the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise, and achieved a resolution of their dispute.

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties do so during the dispute resolution proceedings, the settlement may be recorded in the form of a Decision or an Order. This settlement agreement was reached in accordance with section 63.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a Decision:

### **The parties agreed as follows:**

- 1) The parties acknowledged the landlord returned **\$436.98** of the security deposit to the tenant.
- 2) The landlord is entitled to retain the balance of the security deposit in full and final settlement of this claim.
- 3) The tenant acknowledged the payment in section 2 to be in full and final settlement of any claim for return of the security deposit the tenant may have.

The parties fully discussed this settlement. Each party stated they understood and agreed with the terms.

Either party may apply for such further relief as may be necessary to give effect to this agreement.

Based on the above, I find that all matters between these parties raised in this application are resolved pursuant to the above agreed terms.

Conclusion

The application is settled on the above terms.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
