## DECISION

Dispute Codes      **CNL, FFT**

### Introduction

This hearing dealt with an application filed by the tenant pursuant the *Residential Tenancy Act* (the "Act") for:

- An order to cancel a 2 Month Notice to End Tenancy for Landlord's Use pursuant to sections 49 and 55; and
- Authorization to recover the filing fee from the other party pursuant to section 72.

Both parties attended the hearing. The tenant was assisted by an advocate, CB. The parties were informed at the start of the hearing that recording of the dispute resolution is prohibited under the Rule 6.11 of the Residential Tenancy Branch Rules of Procedure ("Rules") and that if any recording was made without my authorization, the offending party would be referred to the RTB Compliance Enforcement Unit for the purpose of an investigation and potential fine under the Act.

Each party was administered an affirmation to tell the truth and they both confirmed that they were not recording the hearing.

### Settlement Reached

Pursuant to section 63 of the Act, the Arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order. During the hearing the parties discussed the issues between them, turned their minds to compromise and achieved the following resolution of their dispute with the following terms:

1. This tenancy will end at 1:00 p.m. on Sunday, May 28, 2023. By this time the tenant and any other occupant will have vacated the rental unit.
2. The parties will attend the rental unit at 1:00 p.m. on May 28<sup>th</sup> to conduct a move out condition inspection report.

3. The parties agree that the tenant has chosen his advocate's legal address as his forwarding address for correspondences from the landlord regarding this tenancy. The landlord acknowledged she has this address.

Both parties testified that they understood and agreed that the above terms are legal, final, binding and enforceable, which settle all aspects of this dispute. As the parties resolved matters by agreement, I make no findings of fact or law with respect to the application before me.

The decision to order payment of the filing fee is discretionary upon the arbitrator and since this matter was settled by agreement, I decline to order that the filing fee be recovered.

#### Conclusion

To give effect to the settlement reached between the parties and as discussed at the hearing, I issue an Order of Possession to the landlord. The landlord is required to serve this Order of Possession upon the tenant and may enforce it as early as 1:00 p.m. on May 28, 2023, should the landlord be required to do so.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
