DECISION

Dispute Codes MNDCT, OLC, FFT

Introduction

Pursuant to section 58 of the Residential Tenancy Act (the Act), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for:

- a monetary order for compensation for damage or loss under the Act, Residential Tenancy Regulation (Regulation) or tenancy agreement, pursuant to section 67;
- an order for the landlord to comply with the Act, the Regulation and/or tenancy agreement, pursuant to section 62; and
- an authorization to recover the filing fee for this application, under section 72.

Both parties attended the hearing. All were given a full opportunity to be heard, to present affirmed testimony, to make submissions, and to call witnesses.

Settlement

Pursuant to section 63 of the Act, an arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order. During the hearing the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise and achieved a resolution of their dispute.

Both parties agreed to the following final and binding settlement of all issues listed in this application for dispute resolution:

- The landlord will investigate the tenant from unit 305 and consider the evidence submitted by the applicant in this matter.

Conclusion

As the parties have reached a settlement, I make no factual findings about the merits of this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
