## **DECISION**

Dispute Codes      OPT, FFT

### Introduction

Pursuant to section 58 of the Residential Tenancy Act (the Act), I was designated to hear an application regarding the above-noted tenancy. The tenant applied for:

- an order of possession, pursuant to section 54; and
- an authorization to recover the filing fee for this application, under section 72.

Both parties attended the hearing. All were given a full opportunity to be heard, to present affirmed testimony, to make submissions, and to call witnesses.

### Settlement

Pursuant to section 63 of the Act, an arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order. During the hearing the parties discussed the issues between them, engaged in a conversation, turned their minds to compromise and achieved a resolution of their dispute.

Both parties agreed to the following final and binding settlement of all issues listed in this application for dispute resolution:

1. The landlord will return the tenant's belongings at the address recorded on the cover page on Friday, June 9, at 12:00 pm and a cheque of \$4,880.00 for the return of the security deposit.
2. The parties will not submit any new applications at the Residential Tenancy Branch or in any court regarding this tenancy.

### Conclusion

As the parties have reached a settlement, I make no factual findings about the merits of this application.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
