## DECISION

Dispute Codes      CNC OPC

### Introduction

This hearing dealt with cross Applications for Dispute Resolution filed by the parties.

Both sides attended the hearing and provided testimony. All parties were provided the opportunity to present evidence orally and in written and documentary form, and to make submissions to me.

I have reviewed all oral and written evidence before me that met the requirements of the Rules of Procedure. However, only the evidence relevant to the issues and findings in this matter are described in this Decision.

### Settlement Agreement

Pursuant to section 63 of the *Act*, the Arbitrator may assist the parties to settle their dispute and if the parties settle their dispute during the dispute resolution proceedings, the settlement may be recorded in the form of a decision or an order.

Given the agreement reached between the parties during the proceedings, I find that the parties have settled their dispute and the following records this settlement as a decision and an Order:

- The Tenants will move out of the rental unit by **November 30, 2024, at 1pm.**
- The one month notice is set aside.
- These terms comprise the full and final settlement of all aspects of this one month notice dispute for both parties.

The parties confirmed at the end of the hearing that this agreement was made on a voluntary basis and that the parties understood the nature of this full and final settlement of this matter.

Conclusion

In support of the agreement described above, the landlord is granted an order of possession effective November 30, 2024, at 1pm and after service on the tenants. The Landlord may serve and enforce this Order if the Tenants fail to move out as specified above.

This decision is made on authority delegated to me by the Director of the Residential Tenancy Branch under Section 9.1(1) of the *Residential Tenancy Act*.
